

Thursday 12th January 2022

Dear Parents,

As the Spring Term begins to pick up pace, we have been powering through a plethora of learning across our school. In this week's assemblies we focused on our goals for the year and whether we had managed to stick to them! Some of us had stuck firmly to our resolutions, whilst others of us, who were finding it challenging, were showing **perseverance** by sticking at it because it meant something to us. We spoke about goals often being things we focus on for a while and how they tend to drop off or fade away -- but unlike our goals, our **PROUD** values are part of who we are and how we live our lives, making sure we make the best possible choices for ourselves and others. This week, we spoke about *kindness* and the clear link that has to our value of **Respect**.

If you have already made the move to follow us on Instagram, you will have seen posts about just some of the experiences we have had and the knowledge we have learnt and shared this term, along with some of the skills our children are developing, all the way from Nursery through to Year 6. If you haven't yet made the step to follow us, please do! You can find us on Instagram under the new name of 'jameswolfeprimary', where we will continue to update our page with our latest learning. Through these posts we will upload photos and videos about how our children are demonstrating our **PROUD** values throughout their day.

If you do not have an Instagram account, do not despair, you can still access our latest learning via our website, which can be found at the usual address (<http://www.jameswolfe.greenwich.sch.uk>). Here you will find a great deal of information, ranging from recent school letters through to how to purchase school uniform and our term dates. Please do take the time this weekend to have a look at our latest news posts in the 'News' section of our website.

We continue to be incredibly **PROUD** of our children's learning and will be further celebrating their successes and achievements in school with you at home... so stay tuned!

Wishing you all a lovely weekend.

Kind regards,  
Mrs Raithby

# Friends of James Wolfe School

---

Hi everyone,

Our EGM will take place at Randall Place on Friday 20th January after drop-off. If you are interested in becoming a part of the Friends, in particular taking the role of Chair, please get in touch. If we cannot find a chairperson then we will have to dissolve the charity, which would result in an immeasurable loss to the school.

Please follow/like us on Twitter/Facebook to find out more about what we do, as well as about upcoming social/fundraising events. All are welcome!

### FRENCH LEARNING AT HOME

To keep you having fun with French at home, James Wolfe has subscribed to Linguascope. Go to <https://www.linguascope.com/> and log in using the following details:

Username: **jwrandall**

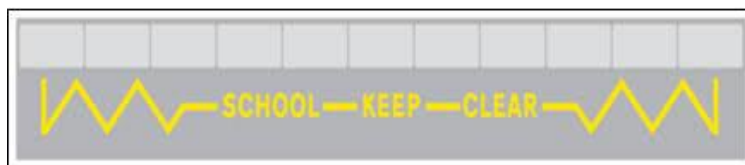

Password: **twenty22**

Once you are signed in, click on the French flag in Elementary, then on any Galaxy you wish to explore. You can 'skip' the next part if you like, then click on a planet and get straight on with the activities. And remember, there's not just French available, but other languages too!

### PROMPT ARRIVAL

A punctual, settled start to the morning makes a significant difference to the quality of children's learning and the safety of all those around. Please ensure pupils arrive on time for class.

### KEEPING OUR CHILDREN SAFE

We remind all parents that the zig-zag lines outside our school buildings must not be parked on by parents for drop off or collection of children. We have had incidents outside both campuses and we ask all parents to help keep our children safe as they walk to and from our school. To this end, the Greenwich Road Safety Team have organised for police officers to patrol outside each campus.

### **CARS IDLING OUTSIDE SCHOOL**

We remind parents not to idle their vehicles outside the school, particularly in the evenings, when waiting for children to come out from after-school clubs or One World. The fumes contain a number of harmful gasses including carbon dioxide, which is bad for the environment and contributes towards climate change, as well as nitrogen dioxide, carbon monoxide and hydrocarbons, which are linked to asthma and other lung diseases.

Local authorities have the power to issue £20 fixed penalties for emission offences and stationary idling under The Road Traffic (Vehicle Emissions) (Fixed Penalty) (England) Regulations 2002.

### **GDPR SIGN-UP**

The school office regularly hears from parents who are not subscribed to the Weekly Wolfe mailing list and so are not up-to-date with school information. Due to GDPR regulations, any parent who has not given specific permission for us to use their email address to circulate school notices (including the Weekly Wolfe) will not receive them. If you are reading this on our website or are aware of anyone who is missing out, please use/forward them our sign-up form at <http://eepurl.com/duVNNr>.
