

At James Wolfe, we are constantly striving to further enrich the opportunities and experiences for our pupils -- this may include playground improvements, extracurricular activities, development of indoor spaces (e.g. libraries), special provision, inspirational visitors and experiences. If you would like to make a contribution to our fundraising efforts, please go to our Go Fund Me page at <https://gofund.me/3f7ee947>. We will share updates on how we spend these donations in the Weekly Wolfe. Thank you in advance for your contributions.

Thursday 13th July 2023

Dear Parents,

Wow, what a busy few weeks we have had and a few more 'firsts' for me! I don't think I know where to begin describing all of the wonderful things that have happened this week, but I'll give it a go...

Our new Reception children had their Stay and Play sessions and it was wonderful to see both our current families and our new families join the school.

We also saw the children finding out which class they will be in next year; they were given the opportunity to visit their new classroom and, of course -- the most exciting part of class swap day -- meet their new class teacher. The buzz of excitement was electric and the children have not stopped talking about their plans for next year. It is certainly looking like the 2023 2024 academic year is going to be a good one!

This week, we have also begun our farewell celebrations with our Year 6 children. They have been incredible role models this year and I know that they will go on to achieve great success in the future. Their first performance of Matilda moved us all to tears this week -- such poise, confidence and commitment demonstrates the culmination of so many years of hard work and words cannot express the pride that we all feel. Good luck Year 6!

On Wednesday evening, we had the much-anticipated Open Evening and Sculpture Trail, where families were wowed by the showcase of work completed during our Whole-School Project. It was so lovely to see the children's work showcased across the community for all the children to see.

This morning sees the start of Sports' Days. with Reception today and Year 1-6 tomorrow (Friday). We look forward to cheering on the children in all their activities.

In this final week, I will finish my first year at James Wolfe and what a year it has been! I have learnt so much about the school community and I feel PROUD to work at James Wolfe. The children at James Wolfe really do showcase the PROUD values every single day and it is a joy to be part of their education journey. I am so PROUD that all voices are valued, and I am grateful for the conversations and views that you -- as the parent community -- have shared with me on a daily basis, as well as the support you have shown to me. Thank you so much.

Kind regards,
Ms Gallagher

FREE SCHOOL MEALS FOR ALL CHILDREN FROM SEPTEMBER

Dear Parent/Guardian,

From the new Autumn term, commencing September 2023, all children in Years 3, 4, 5 and 6 living in Greater London will be offered Free School Meals.

In response to the rising cost of living, the Mayor of London has made a commitment that every primary school child is entitled to a Free School Meal. This important step extends the existing Free School Meal provision – currently available to children in reception, and years 1 and 2 – to all primary school children in Greater London.

Chartwells Schools – as your catering partner – design nutritious seasonal menus, lovingly created by our team of talented chefs and dedicated nutritionists, who make sure the menus are packed with all the ingredients children need to grow strong and healthy.

Every day there is a choice of two hot main courses, jacket potatoes, pasta or a packed lunch. The meals are nutritionally balanced and feature familiar favourites as well as exciting new flavours, to encourage children to try something different.

We also cater for children with allergies and intolerances, so they can feel safe and included with their friends whilst eating school meals. If your child has a dietary requirement, please read the attached letter from the Chartwells Medical Diet Team to ensure we can cater for all children from September. Please provide all information as soon as possible, and before 21st July 2023, to allow the Medical Diets team enough time to develop an appropriate menu for your child/children. Please visit your school's website for any further information on how to order meals in advance.
