

At James Wolfe, we are constantly striving to further enrich the opportunities and experiences for our pupils -- this may include playground improvements, extracurricular activities, development of indoor spaces (e.g. libraries), special provision, inspirational visitors and experiences. If you would like to make a contribution to our fundraising efforts, please go to our Go Fund Me page at <https://gofund.me/3f7ee947>. We will share updates on how we spend these donations in the Weekly Wolfe. Thank you in advance for your contributions.

Thursday 20th July 2023

Dear Parents,

As we come to the end of another successful year at James Wolfe, we take time to reflect on the many achievements of our pupils over the last twelve months. On an individual level, these have been shared in the annual reports and we hope that parents enjoyed reading about the progress that their children have made this year.

At a school level, we can consider our achievements through our **PROUD** values. Across the year, we have seen children **persevere** with their learning in all of the subjects we teach. We all make mistakes in our work and it has been wonderful to see our children use these as **opportunities** to grow their **understanding**. We also celebrate the great relationships that our children show throughout the school day as, across our school, children show the value of **respect** in their conversations with others. Our children are interested in the views of others and they value different ideas, demonstrating the value of **democracy**.

By demonstrating our values, our children can be **P.R.O.U.D.** of their achievements this year.

We would like to thank our staff team for their incredible work this year. Our staff have created interesting learning opportunities that have enabled our children to thrive.

Some pupils and staff are leaving us this year. To our pupils we say good luck in your new schools -- they are lucky to have you and we look forward to hearing about your future successes. To our staff, we wish you all the best with your future adventures.

We wish everyone a restful and relaxing Summer holiday and we look forward to welcoming returning pupils back to class in September.

Have a great Summer.

Kind regards,  
Mr Harris & Ms Gallagher

## FOOTBALL ROUND-UP

It has been quite the year for our football teams -- 2022/23 will go down in history! The girls have had a hugely successful season, completing their league season in style! We received our final league places last week, with the girls' team not only finishing third but also winning the vote (by the other schools) to receive the 'Excellence' award for their fantastic play on the football field! Each season, the girls' team rises higher in the league standings and we are immensely proud of their success. Most of all, we are delighted with the development in their teamwork and sporting attitude throughout the season -- they have scored some fantastic goals and played some amazing football.

As if that wasn't exciting enough, the boys' team finish the season as...**CHAMPIONS!** A quite remarkable season of consistent wins and determination has seen the boys' team rise to the top of the Greenwich League and win it by one point! The boys received the Shield, which will sit proudly in our trophy cabinet, last week at the awards ceremony. Not only have our boys shown excellence on the pitch with some high-level passing moves and strong defence, they have done it with a fantastic team ethic and respectful attitude to all other players on the pitch.

Our school name will be engraved on the Shield forever!

Well done to all our footballers this year - we will never forget it! Good luck to our Year 6 players who are now moving on -- what a legacy you have left. Thank you to all our parent volunteers who have helped through the season -- and especially to Mr Armson, Miss Morphitis and Miss Zaza, who have made all this possible. See you next season!

## NON-UNIFORM DAY

In order to celebrate the last day of term, tomorrow (Friday 21st) will be a Non-Uniform Day, with individual celebrations taking place in classes.

## MUSIC LESSONS

The price James Wolfe charges for music lessons has not increased for a number of years -- however, we are now in the unfortunate position of having to increase these costs to parents. From September, music lessons (all instruments) will be £110 per term for ten weekly fifteen-minute lessons, equating to £11 per lesson. Children already having music lessons will be automatically re-enrolled for September, unless a parent lets the office know that they wish lessons to stop. Parents whose children are on the waiting list for lessons will be contacted when a space becomes available.

## SECRET GARDEN

### SECRET GARDEN COMPETITION WINNERS

Last month, the Design & Technology team ran a competition for children to design and make a decoration to inhabit and enhance our new Secret Garden space at Royal Hill, in order to help celebrate the grand opening. The winners would have their creation installed in the garden -- and we can now offer our congratulations to the following:

Boris Tarabrin 4M / Uxia Cid Puga 4M / Maria Walsley 4P / Julia Hernaez Aldama 4M / Lara Watson 4M / Lena Ivanovic 4S

Well done to them all!

## FREE HOLIDAY MEALS

Any child in Royal Greenwich can get a free lunch this Summer, as the Council's holiday meal scheme returns to libraries and leisure centres. Grab a healthy, nutritious packed lunch throughout the week, with no forms or fuss -- just turn up and tuck in! Serving times vary, so please check their website for details at <http://www.royalgreenwich.gov.uk/holidaymeals>.

## DINNERS

Please can parents note that a swap from packed lunches to school dinners, or vice versa, can only be made on the first day back after a holiday. If you wish to make a change, please ensure we are informed on your child's return to school -- and remember, all dinners will be free to all children in September.

## FUNDS FOR FAMILIES WITH CHILDREN ENTITLED TO FREE SCHOOL MEALS

Funds will once again be provided over the holiday by Royal Greenwich to those FSM families who consented. If parents are not in receipt of the benefit Free School Meals for their child but feel they would qualify, they should apply at <https://www.gov.uk/apply-free-school-meals>. Should you find you are not eligible but are experiencing hardship, please contact the school.

# FREE SCHOOL MEALS FOR ALL CHILDREN FROM SEPTEMBER

Dear Parent/Guardian,  
From the new Autumn term, commencing September 2023, all children in Years 3, 4, 5 and 6 living in Greater London will be offered Free School Meals.

In response to the rising cost of living, the Mayor of London has made a commitment that every primary school child is entitled to a Free School Meal. This important step extends the existing Free School Meal provision – currently available to children in reception, and years 1 and 2 – to all primary school children in Greater London.

Chartwells Schools – as your catering partner – design nutritious seasonal menus, lovingly created by our team of talented chefs and dedicated nutritionists, who make sure the menus are packed with all the ingredients children need to grow strong and healthy.

Every day there is a choice of two hot main courses, jacket potatoes, pasta or a packed lunch. The meals are nutritionally balanced and feature familiar favourites as well as exciting new flavours, to encourage children to try something different.

We also cater for children with allergies and intolerances, so they can feel safe and included with their friends whilst eating school meals. If your child has a dietary requirement, please read the attached letter from the Chartwells Medical Diet Team to ensure we can cater for all children from September. Please provide all information as soon as possible, and before 21st July 2023, to allow the Medical Diets team enough time to develop an appropriate menu for your child/children. Please visit your school's website for any further information on how to order meals in advance.

Children will enjoy creative music and games in Mycenae Gardens (weather permitting!), prepare music and perform to each other and to the whole group. It's a great way to make new friends and explore music-making!

During the course the children will develop projects and build skills, working towards something special to share with family and friends at the end of the course.

The course is led by professional musicians and music education experts, and balances enriching musical learning experiences with down-time and fun for the holiday season.

Suitable for absolute beginners, those who have already started learning an instrument, and those who have been learning for several years.
