

MAY 22ND 2023

We are excited to announce that Author-Illustrator and dentist, Ramya Julian will visit our school on May 22nd 2023, as part of Science Week. She will read to all our students from her rhyming picture book 'Women in STEM'.

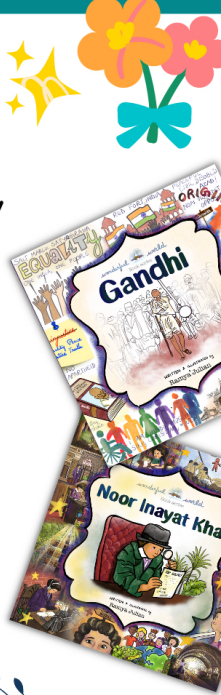

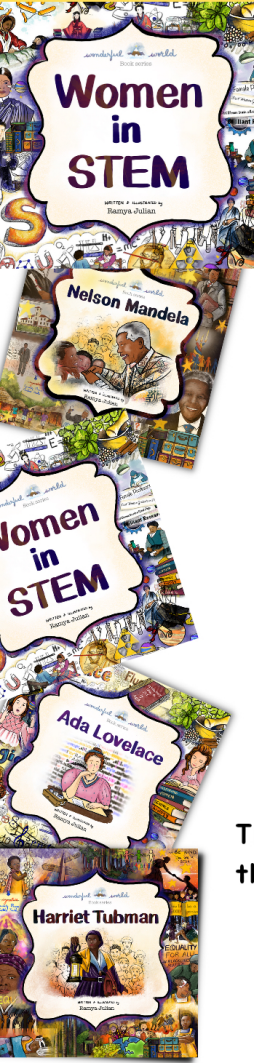

Our students will learn about

- French-Polish Scientist, Marie Curie,
- British-Jamaican Nurse, Mary Seacole,
- Indian doctor and reformer, Muthulakshmi Reddy
- Chinese Astronomer, Wang Zhenyi

Ms. Julian will explain what their achievements are, and how they made their dreams come true.

For Key Stage 2, she will also explain the writing and publishing process.

There will be a Q&A and Positive Affirmations for the students after every session.

wonderful world
Book series

Order autographed copies of Ms. Julian's books using the form below. These signed books will be given to the students on the day she visits.
