Tuesday 7th February 2023

Dear Parents of Year 3 Oak,

SPRING TERM TEACHER CHANGE

As I'm sure you will be aware, at James Wolfe we are proud to support our staff in their training and development to become the best possible teachers they can be. Over the years, we have supported many of our staff through their teacher training programmes and beyond - and, as a result, have an experienced and stable staff we can rely on to teach your children.

As part of this continuing support for staff development, I am writing to let you know that for the next half of term (from Monday 20th February to Friday 31st March), Ms Mistry will be on placement at a local school. During this period, the children will be taught by Mr Moseley, who was chosen from a number of hopeful candidates who have taught in Oak class. He will spend a day with the children this week to get to know them and will do a comprehensive handover with Ms Mistry.

We are aware that the children will need time and support to manage this kind of change, and that for some of our children with SEND we will need to have additional measures in place. Ms Minkoulou and Mrs Curtis are working with the staff team to ensure this happens in a way which supports these individual children's needs. Support staff will remain the same, in order to ensure there is some consistency for the pupils.

Should you have any questions about this upcoming change, please do not hesitate to contact myself or Mrs Raithby.

Many thanks.

Yours sincerely,
