Friday 30th June 2023

Dear Parents,

R.S.E. (Relationships & Sex Education)

As a part of your child's education at James Wolfe, we promote personal wellbeing and development through a comprehensive Personal, Social, Health and Economic (PSHE) education programme. PSHE education is the curriculum subject that gives children the knowledge, understanding, attitudes and practical skills to live safe, healthy, productive lives and meet their full potential. PSHE, including relationships and sex education, form part of the National Curriculum and it is therefore mandatory that we teach the relevant aspects of this curriculum from Nursery to Year 6.

I am writing to let you know that, over the next few weeks, your child's class will be taking part in lessons that will focus on the relationships and sex education (RSE) aspect of this programme.

Lessons in Year 5 will include pupils learning about:

- healthy relationships, including friendships
- growing and changing, including puberty
- personal hygiene
- changing feelings
- developing self-esteem and confidence

Pupils will also have opportunities to ask questions. PSHE education is taught throughout the school in every year group and is monitored and reviewed regularly by the staff and governing body. Please visit the school's website to find out more about our PSHE curriculum. All PSHE teaching will take place in a safe learning environment and is underpinned by our school ethos and values.

If you would like to find out more please email admin@jameswolfe.greenwich.sch.uk.

Yours sincerely,
The Year 5 Teaching Team
